“ Terry, my best friend always. Even though we haven't been able to be together in recent years, you have always been in my thoughts and prayers. I have always loved you like a sister. I rejoice with you today because I know you are in the presence of our Savior. Save me a place, I can't wait to see you there. Jimmy, Laura, Jennifer and Amy, I love you all and please know I grieve with you. I know the adjustment will be hard, but just remember where she is and how happy and well she is. My prayers are with you all.
