“ This was very sad news. I have not talked to Dani in years. We were very good friends in high school - I have very fond memories of her picking me up every day for school and we would never have enough time to share all our stories before school. Shs was always so happy and giggly. My thoughts are with her family.

“ I am so sad to hear about Danielle's passing...when we were in Jr. High and High School she was always such a joy to be around and so full of life, fun and laughter...her huge smile, great wit, and vivacious laugh will fill heaven for eternity...With Fondness, RickP

“ I always think of Danielle as being open and welcoming and friendly. I remember jr. high days of making Italian meatballs in her fun home and going for walks in our neighborhood.

“ I am devastated to hear about Danielle's passing. She was such a beautiful person, so full of life and good humor and goodness. I can close my eyes and imagine a thousand sweet memories of Danielle. I'm so, so sorry for your loss. My thoughts and blessings are with you all.
