“ I know I didn't know you that well, but I still can not believe all of this. I check everyday to see if anything is being said on the news. I pray for justice to be done so you can rest in peace. Your life was cut short for no reason at all...by some coward who can't even face their stupidity. May the person/people who did this be caught and prosecuted to the fullest extent of the law. God will have his judgement on them. My thoughts and prayers are with your family.

“ D.L. not a day goes by that you are not on my mind. It was that way during your life, and certainly won't change with your senseless death! I hope you know how much you were/are loved sweetie! We miss seeing your beautiful dimpled smile everyday. You will forever be in our thoughts and in our hearts.

“ The inexpressible horror and sadness of this tragedy will forever be imprinted on our hearts and affect our lives from this day forward. DL was a precious life, just 4 days before his 19th birthday, taken too suddenly from his family that loved him. The joy he's given us will not be forgotten, nor will his smile and personality [and boy was he a character- always smiling and making others laugh:] Lord, I know that because of free will, some people choose to do evil and take that which does not belong to them, such as DL's life. I pray Lord that you will reveal to the police who murdered DL and that you allow justice to be administered quickly. Please help his mom and their entire family cope with this senseless death. DL-you are greatly loved and we are so fortunate to have had you in our lives. I love you and I always will. You are missed so much already. I wish we would have had more time together. I hope you knew how much you were loved! I'll see you again someday~ someday.

“ They say that a homicide directly and indirectly effects 200 people, but Danny's death has been felt by countless more. What a fortunate young man to have had a family and friends who loved him so very much. Our hearts are breaking for this family and we will continue to lift you up in prayer. Please don't hesitate to ask for help, I know everyone will do anything you ask. We also will continue to pray for justice to be done for Danny.

“ I worked with Danny. I am so saddened about his senseless and untimely death. He was a sweet person who always had a smile on his face. My prayers go out to his family and friends and I pray that the person/persons responsible are caught. May God bless and keep you during this difficult time.

“ I didn't know this young man, however, his death affected me deeply. This was one of the toughest funerals I have been to. The family was devastated! I hope and pray that whoever caused this pain for family and friends will be caught shortly. May God be with you all during this difficult time in your lives.

“ Danny Ramsey, or DL as he is also known as, and I may have only talked a few times but when I think about the times that I would pass him at church I don't think I ever saw him without a smile on his face. He always seemed to be so happy and he would always bring a smile to my face. He seemed to be such a sweet guy and he will be missed very much!!

I will be keeping him and the Ramsey family in my prayers.
God Bless

“ I remember Danny going to a youth rally once and it was the first time I had seen him so I introduced myself and he told me that he wanted to go back to school and turn his life around. I also remember his laugh he was always laughing. It was very encouraging.

I will always keep the Ramsey family in my prayers.

“ He always called me sir.
to the family I'm known as uncle Deck.
what I remember most about cute little D.L. was his big back flips and landing flat on his back with a thud at about the age of 7yrs.
He was always in my prayers,
he just seemed to have a special place in my heart, he will never be forgotten,
God bless my Ramsey family.

“ I remember a diamond in the ruff. A boy trying to get to be that perfect diamond but not quite sure how to accomplish it, but was trying. My heart is heavy thinking what the family is going thru. I'll keep you in my prayers.
