“ Momma made family gatherings fun. I hope to be able to make her pot of pintos and her pralines someday, too. She loved her children dearly and we loved her back. I still see her excitement (flapping her hands fast) when we told her I was pregnant.

“ So many memories and laughter. Darla was one of the sweetest people I've ever known and I loved her very much. I was very blessed when she came in my life and grateful to call her my friend. I will miss her but she will live on in my heart always. May God bless her family and comfort them in their time of need.
