“ Jesse - Wow I am truly at a loss for words and shocked to just be hearing this news as of last night 2/22. Donna and Jeremy are beside themselves with greif and I just cannot believe that you are gone and no one ever told her - his wife of all people. Jesse - you were an amazing man and absolutely wonderful with Aiden - he still calls you grandpa. I truly wish I had the chance to say goodbye and pay you my respects. Thanks for all of the laughter, love you have given to all and the love you gave our son your grandson. We love you and miss you dearly.

“ I always looked up to you Uncle Jesse. You gave me my 1st job as a teenager and I'll always remember the laughter you brought to our home. I will forever remember that laugh and miss hearing it. Know that you were loved and will be missed.
