“ Lu will be missed by so many people. She is with the angels now but will not be forgotten. We at Lewis Label will help her watch over Billy.

“ What can I say about my beautiful cousin? I loved her dearly and am very sad about her passing. She was a wonderful person. Lucretia and my wife climbed on the old fire truck at Bridwell Park to induce my wife's labor in 1966. She was there for the birth of my first child the next day. She will always be remembered and loved in my memories. I am torn about not being able to be at the services. A new life is coming into the world. My first great-grandchild is to be delivered Feb. 15th. I hope he has Lucretia's smile, spirit and goodness.

“ My dear friend. How sad I am to see you leave this world but rejoice knowing that you are our Father's newest Angel. Someday we can walk together in this holy land and catch up on all the things we've missed. I love you and will miss you.

Until we meet again,

“ I have so many childhood memories of Lucretia, Tim, Wanda and Tom. Wanda and my Dad were best friends. I saw Lucretia quite often when I was in college at Tech, but in later years we only saw each other at family funerals~~always saying we have to get together, but never did. Bill, I am so sorry for your loss, and that I did not get to know you better. Tim, I love you, and hope you will get in touch with me by e-mail or facebook (Pam Barnes Bell). Our thoughts and prayers are with you and your families. Pam and Dick
