“ We were very saddened to learn of Maymie's passing... She was a very special lady and a good friend to Mom.. I know she's having a wonderful reunion in Heaven right now with all of her many friends and family.. I remember her telling everyone that there would be great joy in Heaven and I know she's experiencing that right now..She touched many lives and ours was blessed with her in them.

“ I visited Maymie and Estelle for the past 4 years. I have pictures of the two of them just chatting and hanging out with each other. They were each others rock after Maymie's husband passed. Maymie knew soon after Estelle passed she would go to. She was excited! All she talked about was going home to be with the Lord and that there is no reason to be sad for her passing. As I sit here crying while writing this I will severely miss her. I remember when I first started coming to the nursing home she asked me if I played piano. I told her I didn't know how. So she said she pray that the Holy Spirit would teach me to play piano. So every week I came in after that she would ask if I know how to play piano yet. I have pictures of her wearing a hair net. She was convinced her hair was ugly and falling out and that a hair net would help her. I loved her. I'll miss her laugh and singing hymns with her. She made such a big impact on my life and I pray I will grow into an amazing feisty Christian like her. Oh i'll miss her terribly. I pray for her family and friends that y'all will be comforted during this time. If you guys need anything please let me know.

“ Etta and Joel, I am so sorry for your loss, I understand the hurt because I have been there, but I also know the comfort of knowing where our beloved moms and dads are right now. What a reunion!! in glory. I believe Jesus is coming soon, so it won't be long until we will see them again. Of course we miss them so much, we are just human and God knows our hurt and strengthens us, in this time of our sorrow. I will be praying for you and all of your family.

“ I found out about Maymie""s passing too late to make the funeral service. Tex told me there was an obituary posted, but when I read the obit we had already missed the visitation and it was past time to be at the funeral. I would have loved seeing all her family again. Maymie was one of a kind. I was a co-worker when she worked as a nurse aide at Ranger Park when we first moved to Santa Anna. She was a loving, caring worker and loved her family dearly. Our paths crossed thru the years and I was always glad to see her and Frank around and about town, but lost contact after Frank passed away. May God see the family thru this time of loss. I know Maymie will be with her Lord and all her loved ones in Heaven.
