“ I met Andy physically once, but spent much time in discussions online with him.

*He was a gentleman with firm convictions and one of the few people that I have met who could argue passionately while still maintaining his cool and decorum.*

“ I worked with Andy at KPMG for 7 years. He was a great guy and always there when I had computer problems. He even helped with my personal computer. All I had to do was ask him a question and he gave me a simple answer to how to correct my problem. He will be missed greatly. The young die way too early. Andy, I will always remember you and you will always be in my heart.

“ Andy was my childhood friend. We laughed alot and got into alot of mischeif together and I even went with him to his senior prom! I am so in shock that he is gone and I will miss him dearly, we had just reconnected after many years of not being in touch. I count Andy as one of my closest friends. All my love goes out to his mom and brothers and their families.
