“ I am honored to have known April. I will always cherish our conversations and fun times. We had so much fun, the night we visited the Glass Cactus in Grapevine. We all danced, laughed and enjoyed a memorable time. April will always be in my thoughts. I know she is smiling down on us and enjoying Heaven.

“ I worked with April for a long time and her absence is tragic. The world is missing a very bright soul now. She was wonderful and caring and brought a smile to my face every time we talked. Her positive attitude and outlook will be missed.

“ April, I will remember you always, your beautiful smile, your laugh and your beautiful hair. I remember the night you came to my home with my daughter and we partied. I can just see you lighting up heaven, with your smile, with your laughter, with the joy that comes from within you. You're a joy to the Lord but you'll be missed, here. I'll see you soon. Please watch for me.

Love,
Helen

“ From the first day that I met April, I was disarmed by her charming smile. Every time that I saw her, despite anything else she was doing, April would turn her face to me and smile. As time went by and I had the privilege to get to know her better, I treasured any time I had with her as she could make even the bleakest day brighter from across the room. She will be missed by many, but never more so than on those days when all you need, is a smile.

“ April was such a delight to have at work. I sat by her in the Consumer Department and marveled at her abilities. She could smooth a customer over with her voice and help an employee with a bad day with her cheerful attitude. April was then promoted to our Sales Department. She was so excited about the new challenges the sales department offered. I remember the first time she really connected with a customer in sales, she was hooked. Her smile was so big. I spent many breaks and lunches with April on the benches outside. The last time I saw her she was telling me how excited she was that she was going to be an aunt. April is truly going to be missed at Westlake Phone bank. She was and always will be a part of our family!

“ It is always so difficult for those of us left behind to accept the loss of one as young and vibrant as April. May her family find peace in knowing the Lord had a better plan for April. I will miss her sweet smile; she always had a warm greeting for everyone here at work, and seemed genuinely interested in their well being.

“ We were deeply sadden to hear of April's passing. We remember her as a terrific babysitter when the Hooks family lived on Camelot many years ago. Our thoughts and prayers are with the Hooks' family.

Peace be with you.
