“ First I want to tell my grandma I love you and will TRULY miss you....we may have not seen you very often but you were always in our hearts and on our minds and FOREVER in our prayers.....I will miss you making homemade tortillas when YOUR son ANTHONY MORENO(my DAD)would come from Colorado to visit,and I'm truly happy that you are in a better place and don't have to suffer though any more of all you SORRY ASS DAUGHTER's and all their dumb ass kids' bullshit any more and now you are TRULY at peace and in the comforts of your creator....RUTH I hope you read this as well you aren't nothing but hateful and spiteful like the rest of your sorry ass sisters....
