“ Too many times we take for granted our friends from the past, assuming they will always be there to visit again, then we receive words of a loss such as this.

Barbara is such a huge piece of foundation in so many lives spanning back over the decades. She was funny with a very unique way of looking at things and made people smile with her wide open heart.

It's a sad time in the reality of my world that Barbara was a part of oh so many years ago. She will be missed.

“ I am so sorry to hear about Barbara. She was a great person with a wonderful laugh.

We all had fun boating in Clearlake and then Texoma.

Time goes by too fast.

My thoughts and prayers are with her family.
