“ Hello dear family,
I'm grateful for all of you who surrounded Aunt Bobby with love and care during these past few, very difficult years. We celebrate thoughts of her and my memories of a spunky, delightful auntie, almost every "holiday" when I make her "Aunt Bobbie's Apricot Delight". For myself, Keely (now 32) and her daughter, Kitara (15) this is a favorite... For some reason, the guys, Bob, Brian and Leighton (12) are less enthusiastic... which is fine... leaves more for us girls!!! I also remember her coconut cream cake, and treasure memories of her, Uncle Homer and Blackie.... and all of us cousins during a MUCH earlier time. Blessings dear ones,
Love, Gayla
