“ I remember Miss. Bertie when she came to he REHAB UNIT she was just full of life. we were close and then my daughter Janice began to sit with her. Even when she was ill she would make her way to her door and i would hear MISS Bonnie would u come sit with me. Which was a couple minutes but seemed for hours and if she wasn't wanting me, she was wanting Neci or Pat, her daughter, You just couldn't help but to love Miss. Berti and she loved her children. But i know that Pat was her solid rock. I will love and cherish her for the rest of my life. I will miss my friend whom i come to love dearly everyday & i will always be there for PAT, I love your mom very much which goes beyond being her nurse!!! I MISS YOU MISS BERTIE
