“ *Bettye it was such a joy knowing you! Thank you for always being there when I needed to talk, and coming to the house at 4:00 in the morning when we were so tired and Sean wasn't having a good night.. you would come over, pick him up, rock him to sleep then go back home.. for weeks you did this.. and for you and Buddy leading me to the Lord, I remember that day so well! I will miss you but I know you are in a much better place.. give Buddy, my Dad and my brother a big hug. I love you*
