“ *She was like a second mother to me, although it wasn't like I was able to see her very often. I just always felt close to her and Mr. Gordon from the first time I met them at Gerry's home. They were "family" -- and reminded me so much of my own Mom and Dad. You knew immediately that they were sweet and thoughtful folks -- and you instantly felt at home when you were with them. Their sense of humor and kindness will be missed so very much by all who knew them.*
