

Beverly Spaulding

September 10, 1930 - December 20, 2009

Beverly Helen Spaulding (1930-2009), 79, passed away December 20, 2009

in Keller, Texas, surrounded by family.

A longtime resident of Toledo and Sylvania, Ohio, Beverly was a beloved wife,

loving mother, accomplished artist, world traveler and lifelong volunteer. In addition

to her selfless efforts for the Manor House and the Flower Hospital Moon Flower Ball,

her dedication helped ensure the protection of Wildwood Preserve, a prairie community

and essential wildlife refuge that today is among the most visited parks in Ohio.

She thoroughly enjoyed her career at Whitmer High School in the Audio Visual Department,

where she was known for her gracious smile and kind spirit.

She will be lovingly remembered

by her entire family, including her husband and best friend of 59 years,
Marshal L. Spaulding

of Keller; sons, Marc Spaulding and wife Donna (Strafford, NH), Britt
Spaulding and wife Mary

(Austin, TX) and Scott Spaulding and wife Cheri (Bowling Green, OH);
daughter, Kyle Spaulding

(Keller, TX); grandchildren, Michael Spaulding, Taylor Spaulding, Evan
Spaulding, Brittany

Anderson, Lauren Spaulding, Marshal Spaulding, Austin Burtnett and Kendall
Burtnett; and uncle,

William Ferrero.

She touched the hearts of all she met; we are truly blessed to have known
her.

In lieu of flowers, memorials may be made to: The Manor House, Wildwood
Preserve,

5100 West Central Avenue, Toledo, Ohio 43615.

Your journey here has ended,

And a new one has begun;

And we are left here to carry on,

And do what must be done.

There are no words or phrases,

That say just how much you meant;

There's too much love to be expressed,

In poem and sentiment.

For you touched so many people's hearts -

You certainly touched mine.

It was a blessing just to walk with you -

If even for a short time.

You left behind a legacy of hope and strength and love;

And you surely must be smiling as you look down from above,

To see how much you accomplished - all the difference that you made.

Your contributions were vast; and your part was so well-played.

To have known you and have loved you,

Has changed each of us some way;

And, we will keep you ever in our hearts,

Until we meet again someday.

“ wow, not enough room on this page! there are so many loving smiling memories of grandma. she was a world class mother, grandmother to us all. i was lucky enough to spend a lot of time with her while i grew up even though we lived so far away.. flying into lexington quite often to visit my dad and grandma and grandpa from northern michigan. she really was the shining light in our family get togethers. i have a journal ive kept for years and i always have a camera in hand to capture the memories.. i could tell plenty of stories to make hte whole family smile and laugh.. our family reunions are always a laughing matter.. infact no matter where you find a spaulding wether its in ohio, california, the new england coast, florida, atlanta, or texas you will find a piece of grandma's loving caring thoughtful spirit with all of us! i love you so much grandma. a celebration of your beautiful life is in check the next time the whole family gets together.

“ Kyle â€“ Its sad when people relocate and lose touch. I remember back in college when I met your mom. Such a sweet, sophisticated, comical and loving person. I know why you were so close. You and your family are in my prayers. You will see her again.

“ Our sympathy to all of the Spaulding family. We regret never having the opportunity to meet Beverly. We would have enjoyed sharing memories of Toledo with her although we lived there for only one year.
