“ We send you our deepest sympathy and pray the years of love you shared will ease your pain. Due to previously scheduled medical tests for Gene, we will not be able to attend the service and pay our respects to such a wonderful man. “ The man we knew only as "Popie." A big heart and always open arms. He had to have the patience of Job to care so deeply for his family and his extended family.
I'm proud to have known him.
Our love and prayers will always be with you Louise, Jolene, and Rachael.

“ In 1987 ,we moved to Grandview and as we all know a person meets everyone .My daughter Cassidy and I were making the rounds about town to see what was we could find and wondered in to the flower shop , and low and behold there sat Bill in his police uniform of course when a 3 year old looks at somebody as tall as Bill , he was a giant in her eyes, he smiled at her said hello, and with a bewildered look in her eyes , Cassidy said "Mommy,he's not green". She was refering to the Jolly Green Giant . I thought Louise was going to fall off her chair laughing . Thanks for the laughter , a pat on the back ,and the good times hanging out in the back of the flower shop even on a busy holiday and especially the memories.
Thank You

“ I spent two weeks in the hospital and in those days I was accepted by Mouis and Bill along with the rest of the family. I will never forget the first day I met Bill I made him laugh. It pains me to know that he is gone and two weeks is all I had to know him but I have the rest of my life to visit with his family hear all the wonderful stories of him and his family and friends. My thoughts and prayers are with Mimi and the rest of the family. But I know and brleive in my heart he is with our lord in a better place pain free and waiting for us all to join him one day. Thank you all for being there for me and allowing me to be apart of such a wonderful and caring family.

Love, Danny
