“ *Barry and Family - My thoughts and prayers are with you all. Be comforted in knowing that your father was loved by many, especially his family. Barry, you set an amazing example of love and support for your dad during these last several months. You have done your part as his son and your dad will be forever proud of you!*

“ *I never had to wonder what Uncle Bobby thought, he always let me know in a very honest way with words. I wish more folks were like that. I love you & will miss you.*
