“ *I knew Brett from our Gainesville Car Club. I recall many long conversations with him about life, school and cars. He was always a gentleman, a first-class guy and I was blessed to know him. He could put a smile on anyone's face. Kind-hearted and fun, Brett touched the lives of all those he knew. I will surely miss him. God bless his family and friends in this time of need. May God grant you strength and comfort in each other. Love, Jenny*

“ *My Dear Cousin and Family:*

My heart breaks for you. Please know you all and Brett are in our prayers.

He is with Grandma and Grandpa Custer, Uncle Jimmy, and all of the other members of our family who we loved and are now gone. That gives me solace.

I'm hugging you right now.

I love you all.

“ God Bless all of you, Kathy, Ryan and I have no words that can tell you how we feel about each and every one of you. There was more than 250 people (standing in line) outside in that cold evening waiting their turn to pay their respects to Brett and my family - WOW!

And who will EVER forget seeing "true" student Angles at the services when we left the church that next day?

Our love and appreciation to each and every one and to those who could not get to us that week - may God bless my son Brett and you and all your family members.
