“ I hold dear memories of my Uncle Burt. He made my life better each time I saw him. His annual October trip to Michigan was a highlight of my year. He was a loving man with a quick wit and a very warm smile. He made each person he met feel as though they were the only person he was interested in at that time. What a wonderful gift God gave us in Uncle Burt. I try to follow his example in my daily life.

“ We never had a chance to spend much time together but we did get to go to one Dallas Cowboy game when I was 13 or 14. My Mother loved you dearly and you are now all together. God speed Uncle Burt.
