“ AuntCarol will be greatly missed by myself and my family. My children had the honor of meeting her at my daddy's funeral in May 2010. She really took to my little boy: Jimmy.

“ So, Carol's wishes are completed. Her cremains have been scattered over the beautiful Pacific ocean, in two of our most favorite places. Rest in peace, my dear,..and we are assured of this: you are not ONLY our past,....you are our FUTURE!

“ We did not get to know Carol for a very long time but we grew to love her and Roger while we were in Sunday School class. We admired her faith and dedication. I know she will be greatly missed.

“ Carol (and Roger) was a real friend when I knew her in Nebraska. She showed so much joy, and it always rubbed off. She thought I was a little looney I think, but she never knew how it helped shed the loneliness I felt at BBB. She and Roger were and are my dear friends. She is part of the cloud of witnesses and I know she and Nicole are so happy and proud of their family. I love you guys. Richard in TN.

“ We didn't get to spend much time with Carol, but we became true friends very quickly. She was an inspiration to us. Her devotion to Roger and the family was an example for all. We know how happy she is now to be in the presence of our dear Lord

“ When I think of Carol, I remember her smile, quiet and gentle spirit and positive outlook on life. There were many shared moments of laughter around camp fires or simply enjoying a meal together. Her presence was always a welcomed gift of friendship.

Although, I no longer have opportunity to enjoy her here on earth, I count it all joy knowing I'll see her inside the gates of heaven.

“ Carol and Roger were some of our first friends we made at Grace Church in Morton, Il. We remember little Nicki foundly and what a loving child she was. We had many good times together. Michelle was about the age of our older son Jim and they too had good times together here on the farm. When they moved to Neb. we went to see them with two other couples and spent a long weekend. Nicki was in the hospital at one time. We went in hopes of cheering them up but turned out they were the ones to do the cheering. I will never forget Carol's smile or her laugh. It was a boost to be with her but the tears too flowed easily from her tender heart. I always felt the connection to her like you would feel to a sister. Danny and Tony came later and we never got ot know them as well as we did Michelle. It was a joy to be a part of their lives and we have missed being close to them but could always pick up where we left off. Good memories, something we will take with us until we meet again in Heaven. She was a true friend and we loved her.

“ We will always remember Carol's sweet face, sweet personality, and constant smile. We rejoice that in heaven she is perfectly healed and rejoicing with other members of her family who have passed before her. Rog, you married quite a lady and it's obvious you loved her deeply.

“ I remember your smile and laughter at bunco. We always had a great time, even when we didn't win. Your eyes always sparkled because of the joy that was inside. Now I know you have met the reason for your joy and are loving every minute. We miss you here, but know where you are!!

“ So thankful that my path crossed with such a sweet lady. We will remember the times she and Roger came to the bookstore and she got as excited about looking at products as I did...I will remember her smile and giggle and the sweet words she always had.. Thank you Lord for a testimony of your love that was revealed thru this precious lady and treasure. Heaven is sweeter today.. Our thoughts and prayers go out to each of the family.... May His peace and presence surround you all thru this time...

“ Though I know her mind struggled to remember me when I saw her each Sunday, her smile let me know that her heart knew who I was. I just know we all have big shoes to fill when Roger needs someone there. The earth's loss is heaven's gain.

“ Carol had the sweetest smile and kindest heart I ever had the pleasure of knowing. She loved the Lord with all of her heart, as well as her family and if you knew Carol as your friend you were truly blessed.

It was joy to go to the Green's home for Bunko, visit around a camp fire with them or play "Grandma Cards."

I know she has had a grand reunion in Heaven. May her earthly family be comforted by God.

“ Gayle and I thinking about where it all started in Spain waving to Carol from atop the castle while she stood below across the moat. Our trip to California and Gayle's infamous "Just one more show" followed by our lunch in a loud restaurant with your head pounding head ache. Then in South Carolina when you and Carol introduced us to her famous pumpkin bread and schnopes over vanilla ice cream. Those were great times and look forward to continuing them in heaven
