“ To All Cathy's Family and Friends,

Cathy was a great friend with a heart as big as TEXAS! I know my life will be forever changed without her friendship and laughter. I want to thank her family for so graciously including me in their family. I am glad that she is no longer suffering and that my memories of her can never be taken away. I loved her like a sister and she will forever be missed.

“ Janie, Robert and Sherry. So very sorry to hear about Cathy. I feel fortunate to have been able to catch up with her a little bit at Rob and Amy's wedding. Bonne and I offer our prayers and the experience that memories are forever and time does have a way of healing.
