“ *What a great loss for us all. I have been in the work force for 36 years and never have had the pleasure and honor of working with or for such a great person. The first year I came to work at Leprechaun for Chuck he would leave little post-it notes at my desk telling me what a great job I was doing and how lucky they were to have me there. Well I am here to say I was the lucky one because I have never had or ever will again have a boss that cared so much for his employees as Chuck did. I will miss him every day. God Bless the family and comfort your hearts during this time of sorrow.*

“ *I remember Chuck as a young child who ran to jump on my lap when he realized that I his mother's cousin. At that time he had a thick head of blond hair that was reminiscent of my father when he was a young boy. His life certainly has been an inspiration to everyone he met. My heartfelt condolence to all his family and loved ones.*
