“ Nanny & PaPa cared for our daughter for several years with all the love & attention that they shared with their own family. Always with hugs, kisses & swats on the behind, as needed. His lap always had room for one more, no matter how many were already there. Always a smile and a kind word, a man you knew was good for his word. He left this world a better place than he found it & we should all hope that we can do as much. We wish all of his family and friends Peace & Comfort.
