“ *Fond memories of you Chuck, like another father and mentor to our kids on the block. Great friend, brother, husband, Daddy, counselor. So many wonderful things to say about you. You were always smiling, and had a way with making others smile and laugh. We miss you, but know your love for life will carry on through us as we grow through life without you physically here. I love you Chuck, Joy, Samantha and all of your extended family.*

“ We loved Chuck the first time we met him. He felt like a member of our family. We enjoyed his visit to our home in Abilene. We loved him because he loved our children and grandchildren. He will be sorely missed. It was so evident that he loved his family very much.

“ To Joy and Samantha,  
Our hearts are heavy for your loss. Chuck was a Godly, generous, sincere, caring, friendly "man's man". We know there are no words that can easily console you or assuage your grief. In this difficult time, it is not easy to remember that God's timing is perfect. Remember, as we will, all of the happy moments with Chuck that we were blessed with.  
Our thoughts and prayers are with you.
