“ *I feel that I knew Christie as her Mother, Carolyn Reed, talked so fondly about her all the time. Christie was creative, talented, and loved by her family. I am thinking and praying for you all. I did not know about the service until it was over. My heart is with you.*

“ *Many wonderful memories of Christi fishing in Corpus, especially when she kissed a fish on the lips before having to throw him back since he was too small! Recently had a great visit with her, her Dad, sister, and two nephews in Greensburg, KS. Know her Grandpa Brent & Great-uncle Howard are showing her the fishing holes in Heaven!*

*Love,
