“ *I remember Clyde for his Christian witness and caring personality. I am grateful for the respect and care that he showed my dad, Ray "Jack" Laing, and my aunt, Mary Haynes. I enjoyed the one round of golf we got to play together back in Bettendor. Along with my wife, Sue, I would like to express my deepest sympathy to Karen and the rest of the Janeski family.*

“ Karen, Our hearts are broken at the news of Clyde's passing, but find comfort, knowing he has received his perfect healing. We will always cherish our memories of him, and most recently the trip we took with the two of you and mom as we vacationed in San Antonio a few years back.

“ So many sweet memories of Clyde. Don't know where to start. Clyde, you were just always there with a hug and a smile. You were there on my back porch 5+ years ago at my darkest hour ready to do whatever was needed. I'm so sorry I cannot be there for you now, Karen, but I know God will hold you up with His Mighty Right Hand.....

We will miss you fondly, Clyde, but know you and Bob are re-united and singing His praises, if you've managed to get up off the floor.

You were always there and will always be with us in spirit.

Congratulations on your Eternal Promotion. For you Karen, I know it makes the loss easier, knowing he is there with His Lord. All of our thoughts and prayers are there with you.

Friends forever,  
Diana

“ Too many memories to list them all. I remember as a freshman in high school and attending First Assembly in Bettendorf, IA and Clyde (a.k.a. Psalty) became an instant part of my life. He always had a smile on his face, waiting to give a hug and always a word of encouragement and praise! He was an inspiration. Heaven is a little sweeter today to know that Clyde is now experiencing his ultimate goal in life - living face to face with his savior. Thank you Clyde - you are loved.
