“ My childhood memories are all at a ballpark somewhere. Dale and I played for his dad since we were 4 or 5 years old through high school. I will always remember his smile and that look on his face like he knew something you didn't. He was a great guy and even though i haven't seen him in years, he will never be forgotten. To his entire family, he left many treasured memories to so many people. Rest in Peace Dale!

“ Carolyn, it's been years since I've talked with you so I had no idea you both had been going through so much. I am very so sorry for your loss. I hope knowing you have many friends that care gives you comfort. Reading some of the memories I do recall four wheeling with you, Dale, Tom, and other GTE friends. The first thing you think of when you think of Dale, is his love of baseball. He gave it his all! I also recall him being a huge Green Bay Packer fan amongst many of us Bear fans, which made for some very interesting times. Glad they had a recent Superbowl win sort of:)

“ My name is Bob Sturgill. I coached and played softball with Dale while he worked for Sundstrand Aviation In Rockford. Our team won it's league eight out of ten years during thr Eighties. Dale was a huge part of those great teams. Our greatest accomplishments were winning TWO National titles in our Industrial division and Dale was one of our best. If I could say anything to him it would be, "Thanks for the memories and for your friendship. Those were heady days. I'll miss you."

Carolyn, you have lots of friends - enjoy them in the next weeks and months, while you think back through your memories of Dale. I admire you and feel blessed to have you as my baby sister. Love you, Cath

“ From the sand dunes of West Texas to sand covered infields, I will always cherish the memories of times spent with Dale and the rest of 'the guys'. I recall those memories often. Carolyn, I am deeply sorry for the loss of Dale. At the ballgames when there was a runner on second, I always hoped the ball would be hit to Dale because nine times out of ten, he would throw them out at the plate !!..

“ I love you Monkey and I always will. I'm glad you are healthy and happy once again.

Give our babies a hug and kiss from Momma. I know Gozar was very happy to see you and was standing there with her ball in her mouth waiting for the first pitch!

I cherish the fun we had 4-wheeling and camping, RCI trips...so many things. Your personality and crazy pranks were fun too.

*I will miss you...
