“ Wonderful Mayo Family,

I have known your father since he was a little boy. Donnie (my brother) and your father used to drive me CRAZY when I was growing up. You see, I was a teenager and they were much younger. Donnie and Dale were always in my room pestering me, stinky from being at the crawfish hole and just getting on my nerves in general!

Despite all the silly kid stuff, your dad has always held a special place in my heart. As you know, he was a great man, father, and husband. I will miss him very much. You have much to be proud of regarding him. I know he will always be there for each of you, regardless of where you may be.

Please know all of you are in my thoughts and prayers.

*Love,
Sheryl*

“ *Rhonda and Jordon,*

My heart goes out to you during this very sad time of your life. The loss of a husband and father is one of the most sorrowful losses one can go through. Please know that you are in the prayers and thoughts of my family and me.
