“ Ryan, you were my first born child. I loved you with all my heart. There are no words to express the feelings that i have for you. I love you unconditionally. I remember holding you after you took your first breath. A small bundle of joy. a small version of me. I had a hard heart for such a long time until you melted it. You grew up to fast. i so enjoyed our time playing paintball. You were good at all you did. You had a wonderful heart. You will never be forgotten. I will see you when God calls me home. I know that you and uncle gene are now reunited. Give him a big hug for me and tell him that i will be there soon. Save that seat next to you guys on that river full of fish. I love you my son.
