“ *Such a beautiful girl, surrounded by love,*

*Mysterious world, can only look up*

*To talk to my angel, to send you my prayers,*

*In hopes of one day, to see you upstairs.*

*An innocent girl, an innocent life.*

*Still to this day, I'd make you my wife.*

*Center of my world, & never think twice,*

*You were there for me, when I needed you most,*

*You were there for me, you held me close.*

*A more perfect angel, I could not have chose,*

*As your soft lips once whispered, just go with the flow.*

*You saved me from who I should not have been,*

*You saved me from being like most men,*

*You showed me what the true essence of love can be,*

*You gave me what I cherish most- memories*

*You light up my eyes, with your poetic good-nights,*

*And the way we could drop, our pointless dramatic fights,*

*You were my Cinderella, the glass slipper fit.*

*I could wait another lifetime, I know we were meant.*

*Ill continue this life, do what I can to be right,*

*Babe-until we meet again, this is my farewell*

*Sweet dreams and goodnight.*

*Rest in peace baby girl Danielle,*

*Always remember, Times spent well.*

*Love Always,*

“ I watched Danielle grow up playing soccer and attending school with Rachel since she was very young. She had so much energy and she was a very friendly spirit. I was looking forward to seeing her again this summer. I was shocked and saddened so much to hear of her passing.

*Donnie, Heather, Chase and Faith you have my deepest sympathy. My God bless you and ease your grief in this time of sorrow.*
