“ Aunt Daphyne's house was one of my favorite places to go as a child. She always smiled and laugh. We miss you but know you are in a better place.

“ We will all missed your sweet smile as you walked through our door, everytime you came to eat with us. All the employees will miss you for being such a wonderful lady! Thank you for all those years. Will always remember you,

“ Please accept our sympathy in Daphyne's home going. We know you will miss your Mother. May God's grace sustain you in the days ahead and may you trust Him for your salvation, and you will see her again.
