“ *Darla has been a blessing in my life for 8 years. First as friend, then co-worker. She was always there to encourage positive thoughts with a wonderful outlook on life. God, Her Family and Friends were most important in her. Darla, you will be missed so much, but the blessings and joy that you brought to so many people in your life is an accomplishment that so many people do not endure in their lifetime. You are safe in Jesus' arms. Til we meet again my dear friend....* ”

“ *Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.*
