“ I still remember the first time I met Darrell, at BRAVOS with Debbie and always with Debbie. One time he told me he was afraid to come that we would not have a table. I told him we would always have a table for him and he said he would keep coming as long as Debbie was with him. The joy that Kathryne has given in him with Lucas will be unforgettable. Debbie keep up your funny spirit and remember you are loved by all of us. We will always remember Darrell.

“ I will so miss Darrell's smiling face. Smiling through his pain ~~ what a witness he was to the power of our God. Thinking of him reminds me of the Bible verse ~~ "Behold, how those Christians love one another." He certainly lived life to the fullest and now he's at home and in perfect health ~~ maybe even riding a motorcycle down those street of gold!

“ What a sweet man! He really trusted God to take care of him, and God did. There is no way Darrell could have lived so long and with such peace in his life without God.  
Our love and prayers go out to you and all your family. Your loyalty and bravery through the months have been an inspiration to all of us at Trinity UMC.

“ What a loving family man - to his special sweetheart, Debbie. Since I have known Darrell, he has had the honor to be a proud grandpa and also the knowledge that a new Grigar was on the way. Very proud of his kids, animals, cars and motorcycles. Fun loving man and on his journey home - no more pain or suffering.

*Love you all and so proud to be called his friend.*
