“ *My dad was my hero, life without him has been so hard. He was the bond that held our family together, My sisters brothers and I was so blessed to have such a wonderful man that was our dad. I am very proud to call him my dad there are days that I just wished I could give him my hugs and kisses. I feel so lost without my father, he has more great grandchildren and more to come. How I wished I could just here my dad one last time telling me that he loves me and everything is going to be alright baby girl. I love you dad you are always in my thoughts and my prayers.*

“ David was a high school sweetheart and classmate. I learned of his passing only yesterday at the Coppell High School reunion. My thoughts and prayers are with you on this day. He was a special man and his untimely passing is grieved by others than just his family members. His memories will bring great joy to all who knew him. May he rest in peace
