“ David was a gentle loving human being. It was my loss not to have known him better. If he was here now, I would tell him that my plan today is not to express my loss of not knowing his wife, my sister, Geneva in the years to come. God gave me a second chance to let her know how much I love her and I believe I have made a good start already. There is nothing as good in this world than having sisters and I thank Him for the three that He gave me. Love you sis!

“ So very sorry for your loss. Dave was the sweetest, most gentle person I believe I've ever met. It was a real joy working with him at Pan Am in Miami. I am holding Dave's family up in my prayers. God Bless and comfort you all.

“ Davey made the 0600 shift worth bidding at PA. I always went home with a smile and some sort of funny story or happening to tell my family.

*Davey will always bring a smile to my lips and joy to my heart.
Thank you for the Best of the Best memories.*

“ A true, caring, and compassionate man. It is why so many throughout his life were attracted to him. Dave was a friend to me in the National/Pan Am Miami days. He'll be remembered and missed by all those whose lives he touched. And that is many.
