“BOOGER” your the cutests little boy I've ever known.I havent met a person who didnt fall in love with you right away you always made me feel better, and put a smile on everyones face. I wont ever forget how you used to play hide n' seek and run from me. You always tryed to put on my shoes like they were suposed to fit you.It was just the other day you learned to say my name it made me so happy when i heard you say it. I cant think of a day when you were'nt in the happiest mood, you were always laughing and you had the cutest little dimples. I miss you SO MUCH!!! and I know I'll see you again some day in heaven.I love you Demetrius!
