“ Dennis not only taught and showed us how to live, he also taught and showed us how to die. His determination; love of God, family, and life; and constant hope were such positive examples for a hurting world. Prayers are with ya'll. Thanks for sharing Dennis with us for a season. There will be a grand reunion in heaven. A saint has already gone marching in!!

“ Just wanted to let you all know you have been in my thoughts and prayers across the miles. Dennis was a very loving man- you could tell that just by having a short conversation with him at one of the reunions. You and we all were blessed to have known him. From the kids and I, we wish you love and peace.

“ *The testament to the success of ones life is whether or not we made a difference in the lives we touched. Dennis made a difference in every life he came in contact with no matter how casual the contact. I will remember him because I was touched by his kindness, gentleness, warm smile and spiritual path. I will miss you deeply my friend.*
