“ Words cannot express the sorrow we are all feeling during this loss. I pray for peace, understanding and comfort during this time of loss.

Peggy: Know that you couldn't have been a better mother to those boys and know the love in their hearts for you ... and life itself!!

Mark & Eric: Losing a brother is just incomprehensible to me but the love you all shared and the memories you've made will carry you forever ... stay strong!!

I love you all!

“ I have known Chaz since middle school and have nothing but great memories of him. He was such a great guy and such a caring person. He was always in a good mood and so friendly with everyone. He will be missed so much. My sympathy and prayers are with all his family, and may God give you strength during this difficult time.
