“ *To the Campanella,
Don was a truly disciple of the Lord Jesus Christ through many of
his work in South America. I know that his kind spirit will continue to
live on through his family. May the Lord be with you, the family
through this difficult time.*

“ *God sent his loving servant Don to teach us and baptized a few of
us, shared his testimony and show the love for God and his
precious wife, Linda. He made disciples of many and did the job
God instructed him to do.*

With love and gratitude, he is missed.
