“ Claudine,

I would like for you and your family to know how much I hurt for you during this time.

I could not be there in person to show my respects, but Laurel and I were with you in spirit. You are constantly in our prayers.

We will all go to Donald and be with him one day. I pray that you enjoy your memories and times together.

Donald was a blessing to us!

I love you,

Bill

“ Sis Elkins and family,
I am very sorry to hear of the loss of this gr8 man. I know what the Bible says concerning death but its never easy.I am so glad we have the blessed hope of seeing Bro.Elkins again soon. I just want to say how thankful I am that you guys were there for my parents while they were pastoring. I remember on several occassions how my dad would refer to Bro. Elkins as a Pastors friend. I always appreciated that. I always enjoyed the many times I was able to visit the church. Bro. Elkins on the guitar and you on the accordian added so much to the music there.I always counted it a priviledge to play with all the musicians there at the church. He had a gr8 talent and I'm so glad he used it for the Lord all these years. He will be gr8ly missed but, know that you all are in our prayers.
God bless!
