It is with our deepest sympathies to you in the loss of Gene.

Not only was your family the best of friends through the years, but the greatest of supporters.

Gene was a wonderful friend, father and messenger of God. He will be missed, but will be celebrated in Heaven for all the wonderful gifts he gave all of us with his love, generosity and teachings.

May God bless you all.

“ *Bonnie,*
Forty-five years ago I stood by your side as you and Gene said your vows. I know that the years between have brought you joys and sorrows. May God help you find comfort in your memories of the happy times you shared. December has always been a joyous month in my life. But this year has brought a double sadness for me. We lost our youngest son, David, on December 5 and then I saw online in the Gazette of your loss. My thoughts and prayers are with you and your family.

Love, Judy

“ *Bonnie, Sandy and Family,*

I offer my deepest condolences. One of my fondest memories of Gene is how he always had a smile on his face whenever I saw him at the church and in the community in Augusta. He will truly be missed.

God Bless!
