“ *Most beloved Uncle Donnie-*

*Time and space could never yield enough room to express just how much you meant to Sam and Stan and I when we were little guys.*

*You always teased our Sweet Mamaw but she and we all loved it. You were the ultimate big brother figure and we loved you dearly.*

*So appreciative of how you and Uncle John really stepped up and made sure that our family reunions were continued. Such precious memories.*

*Finally I wanted to thank you for remaining such a close encourager and brotherly contact when our Dad Buford needed a loving friend.*

*Janis you really were a God sent mate and we too love you dearly. You guys were truly a God-appointed covenant couple.*

*Love Blessings to all.

“ *Dear Janice and family, Got the sad news about Don from Dorsey. I wanted to tell you what a positive impact Don had in my personal and professional life. He was a joy to work with. He was a wonderful teacher. I'll never forget how he rolled the red carpet out for me during my first trip to Dallas. Twice he accompanied me to Reynosa MX, when we both worked for McGean. He made sure that we all had a memorable trip.*

*Everywhere he went, he had fans of every age and nationality. He was a true renaissance man.*

*I know you will miss him every day, but find strength in knowing that he loved you and Adam very much. He was so proud of the work you did at Blue Cross and always spoke so highly of you. He adored Adam and remained his biggest fan. He loved being both father and husband, and friend. I will look forward to the next time we meet, in the next phase of God's plan for us. My thoughts and prayers are with you now. Don will remain, lovingly in my thoughts forever.*

*Sincerely,  
Paula Cross*
