No Tears To Shed

Rejoice this day, no tears to shed

For Christ has crushed the serpent's head

God's plans complete from birth to death

From His first cry till final breath

God loved the world and sent His son

To give us life when His was done

This was His plan from Adam's birth

Formed by God to subdue the earth

When Adam fell from holy grace

God sent His son to take our place

The Son of God who knew no sin

Would die for us and all our kin

Born to die, this was God's will

Nailed to a cross on Calvary's hill

His pain endured upon the cross

Forgiveness born at His great loss

The victory won when He cried out

And darkness fell all round about

The earth did shake, the veil was torn

God's love complete, salvation born

His body now lay in a grave

Three days from now an empty cave

So shed no tear, the Savior lives

And by His death salvation gives

Praise the Lord! We've been set free

Now heaven is our destiny
