“ Sweetheart I love you so much and cannot imagine living without your hugs, that smell of your neck and the way you looked at me without saying anything. We just knew that God had put us together. You are the love of my life and my life will never be the same without you. Your loving wife, Paula.

“ I didn't know Earl as well as most people in his life did, but what I remember the most about him is his good sense of humor and that every time I saw him, he was cracking a joke and laughing! He will be truly missed....
