“ We have fond memories of Ed for the hospitality that he and Marilyn extended to us when we were able to make a visit to Texas. One of our foremost wishes was to visit Ed and Marilyn for one of their superb BBQs. Marilyn being the lovely homely person that she is and Ed being the host Chef was always an occasion to look forward to. I remember our visit with Ed and family to the Possom Lake area and his picnic, always generous and always hospitable. On our last visit I introduced him to the film 'Borat' Laugh we laughed and laughed for Ed's sense of humour this was ideal as he absolutely loved comedy. A valued friend that we are so upset of his passing away
