“ *Laughter is the best way to describe Uncle Eddie. He always brought it with him! I remember many holiday meals at Lala's where Uncle Ed was the entertainment for all of the children! So sorry for your loss! Aunt Jean and Uncle Ed's phone calls and many letters were such a comfort through both my parents illnesses and passing. You are all in our prayers!*

“ *I will always have good thoughts of driving out to Uncle Ed's and Aunt Jean's house for a day of fun.....watching the dads drink a lot of beer, sing songs and have a grand time....while most of the moms sat around the table, talked and smoked! Seems like a long time ago now. I am sure Ed is now meeting up with my mom and dad and discussing the woeful state of the airline industry. On behalf of the entire Gibbons family, my sincere condolences and please know that Ed will be in our prayers at Mass this weekend. All the best to you Aunt Jean, Liz and Maura. Fondly, John Gibbons.*

“ Dear Mrs Farrell, Liz & Ray, Maura & Mark, all the grandchildren, family and friends. I'm so sorry to hear of Mr. Farrell's passing. He has lived a long, wonderful life, and will continue to live on in all of you. There are so many memories I have of Mr. Farrell, all those years hanging out at the Violet Street home...(waiting for Maura to get ready)...driving us here and there in the VW Bug...many, many memories! He had a lot of patience for all of us! His 58 years of marriage and his dedication to his family are an inspiration. You will be in my thoughts and prayers. My parents, Joan & Bob Krieg, send their thoughts and prayers as well. Patty Krieg Kerley

“ Dear Mrs. Farrell, Maura, Liz and all of Mr. Farrell's Family,

I am so sorry to learn of your loss. Mr. Farrell plays very fondly in MANY of my wonderful growing up memories. Please know that my thoughts and prayers are with you at this time. I would like to relate a thought someone shared with me, "You can cry that he is no longer with you or SMILE that he lived..." It has helped me through many sad days. Think of all the smiles. Much love, Kathy Kay

“ *So sorry for this loss to our family. I remember a trip Uncle Eddie and Aunt Jean took to Massachusetts one summer. We all went to Williamstown to see a play that Christopher Reeves was in. We happened to see Christopher walking in town. Uncle Ed- of course with great respect!- went yelling down the street "Hey, Superman!" We couldn't stop laughing. Jen, Kristin, and I still tell that story. We will miss him. Our prayers are with you. Love Laura and family*

“ *Uncle Eddie will be missed. He was so unique and would always try to have everyone laugh - especially my mom (his sister). He would look at her and roll his eyes and she would be in hysterics! He brought her so much joy and was always so generous to her. He was a wonderful uncle, father, and brother.*
