“ *Memorable moments with Uncle Gene: He & I building the Alamo out of sugar cubes for a school project. His love of OU football games and you better be quiet while he watched one! How happy he was when his daughter Tammy was born. How proud he was when he brought Mary Jo, Lori and Pat home to meet all the Turners. The excitement of the birth of his baby daughter Sherri. The sibling rivalry he shared with his brothers. The joy he got from living life to the fullest.*

Poem of Life

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road, to sweet eternity.
We all have different journeys, different paths along the way, We all
were meant to learn some things,
but never meant to stay...
Our destination is a place,
Far greater than we know.
For some the journey's quicker, For some the journey's slow. And
when the journey finally ends, We'll claim a great reward, And find
an everlasting peace,
Together with the lord*
