

## Frank Steele

July 11, 1942 - March 31, 2009

Survivors: Wife, Dixie; son, David; daughter, Patsy; and brothers, James and Ab.

# Tribute Wall

DS

“ My favorite memory of Uncle Hop is when we (Lloyd, Dena and Laurie) were little we would go see Uncle Hop at the Dr. Pepper Plant and he would let us make a suicide drink out of the fountain machine. Then he gave us free Dr. Pepper. I just remember that he was always happy.. I never saw him in a bad mood. When I think of him I always smile. Love, Dena
