“ I have the pleasure of being friends with your daughter, Kim. She is remarkable and must be a true measure of the type of father you were. May you rest with the angels. No more cancer, no more pain.

“ Janice, Kim, and Ricky:

So sorry about the passing of Freeman. We know he is in a much better place in Glory, without suffering. We also know that someday we will meet again with all our loved ones in Christ in heaven. That is a wonderful comfort for us!

In the meantime we cherish the friendship we had, specially through the years we were raising our children around Irving and Arlington, during the years of GM days.

May our Precious Lord Jesus bestow you, and your family with all the comfort and blessings during this difficult time.

*With loving thoughts,
Jimmy and Carmen*
